

King Claude Goes Skiing Rhyming Word Match Memory Game

Cut apart the boxes and place them face down. The first player turns over a card and then another card to find a rhyming word. If no match is found, turn both cards back over and then the next player goes. If there is a match, remove the cards and go again. Happy rhyming!

pride	hills	cold
high	here	pet
told	flair	sled
snow	head	thrills
yet	go	gear
air	side	sigh
